Dear Miss Squire,

We are very grateful for a wonderful day at your Victorian School. We all had an ~~erson~~ exceptional time in all the lessons. I prefer Victorian school to mine now.

It was very good to learn, learn about all the different coins in maths but also very hard. I very much enjoyed speaking to Queen Victoria. And it was delightfull for you to show us all the punish ments.

Thank you once again for a splended day.

yours faithfully

Emily / Louise
