The Ridings

Kington - St Micheal

11th September 2012

Dear Miss Squire,

Thank you for a fine day at your extremely interesting educational establishment.

I enjoyed every moment of our amusing trip I found the maths lesson about shillings and pennies, as well as the writing lesson extremely enjoyable.

I thought your facts were very interesting, the fact about paper definitely opened my mind.

I also enjoyed visiting Sister Hannah Squires Emporium. I'm very grateful to you both for letting us take our bookmarks home and showing us how to make them.

Thank you for recreation and I loved the toys. Thank you for demonstrating the instruments of correction but not actually using them!

Yours Faithfully

Beatrice Hobble
