Dear Miss Squire,

I am writing to you on behalf of hawks to say thank you, we thoroughly enjoyed the trip. I found it fascinating finding out how Victorian children lived and how they were taught at ~~school~~ school, the lesson I found most confusing was maths.

I dearly enjoyed recreation, the toys they had then are different to the ones we get at school, also the other activity I enjoyed was going into the garden, it was beautiful. The items that were donated to the school by Sir Robert Need were amazing.

Once again I thank you for our educational day and I'm glad you didn't get any of the punishment equipment you have out

yours faithfully
