100 Club 2018 -2019

Please support the work of Sevington Victorian School by joining the 100 Club and encouraging your friends and family to do likewise.

HOW IT WORKS:

The subscription is just £12 for a year. Each month £1 of this is used for entry into a draw. One half of the proceeds goes to the Charity and the other half is distributed to the members as prizes.

CAN I JOIN PART WAY THROUGH THE YEAR?

Yes, you can. The form below makes provision for this but please allow enough time for your name to be included before the end of the first month in which you wish to participate. Please note that the draws for September, October and November will not be made until after the AGM in November, so the full amount for the year is due by the beginning of November.

DO I HAVE TO BE A FRIEND OF THE CHARITY TO JOIN THE 100 CLUB?

No, you do not. This is a means of giving support to the Charity without becoming a Friend.

WHAT ARE THE PROCEEDS USED FOR?

These go towards helping the Trustees to maintain the Sevington School building and grounds. This is a significant cost given its Grade 2* listing status.

HOW DO I JOIN?

Either, fill in the slip below and return it, with your cheque, to **The 100 Club Organiser** at the above address. Alternatively, you may post it in the same envelope as your subscription.

Or, you may pay electronically directly into the Charity's bank account, giving a clear name reference and, for this year only, filling in and returning the slip.
